As testament to the efficient performance of the XC13 it has earned the ENERGY STAR label, which means it meets or exceeds guidelines set forth by the U.S. Environmental Protection Agency.

Choosing an ENERGY STAR qualified product like the XC13 can improve your comfort, while also helping you save energy and money. For other ways to make your home more efficient, visit [ItPaystoLiveSmart.com](http://ItPaystoLiveSmart.com).

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

## XC13

Reliable and responsible home cooling

\*Must be accompanied by either a variable speed air handler or furnace and the ComfortSense® 7000 Series touchscreen thermostat.

\*\*Proper sizing and installation of equipment is critical to achieve optimal performance. Split system air conditioners and heat pumps must be matched with appropriate coil components to meet ENERGY STAR criteria. Ask your Lennox dealer for details or visit [www.energystar.gov](http://www.energystar.gov).
