

Healthy Climate[®] MERV 10 Media Air Cleaner

Cleaner

- » **Effective box media filter** (MERV 10*/CADR 520**)
- » **Up to 85% efficient in removing particulate contaminants** such as dust, pollen and mold spores down to 3 microns***
- » Cartridge slides out for **quick and easy replacement**

Home comfort

- » **Whole-home filtration** designed to work with your existing heating and cooling system

Reliable performance

- » **Effective filtration to protect HVAC equipment** and keep your system running efficiently
- » **Compatible with any HVAC system**, no additional power source is needed
- » **Quality you can trust** – designed with reliable, time-tested components
- » **5-year limited warranty** on covered components†

Healthier

- » **No ozone emissions**, a known lung irritant

Lennox is proud of the fact that these products have earned the Good Housekeeping Seal.

*The MERV (Minimum Efficiency Reporting Value) rating of a filter describes the size of the holes in the filter that allow air to pass through. The higher the MERV rating (categories range from 1 to 16), the smaller the holes in the filter, the better the filtration.

**The Clean Air Delivery Rate (CADR) represents the cubic feet of clean air produced per minute.

***One micron = 1/25,000 of an inch in diameter.

†Warranty applies to residential applications only. See actual warranty certificate for details.
